

No Hyperscale Data Centers IN FLORIDA

GET INVOLVED

Join the Coalition

Floridians protecting Florida — together.

This is a grassroots, statewide movement of residents, farmers, and neighbors who believe Florida should not sacrifice its land, water, and power to hyperscale data centers. There is a place for you in it.

WAYS TO PLUG IN

- ✓ Sign up as a volunteer and connect with organizers in your county.
- ✓ Help spread the word with flyers, yard signs, and social media.
- ✓ Speak at county commission meetings and public hearings.
- ✓ Recruit neighbors, farmers, and local businesses to the cause.
